This modern villa lies on a privileged location within the confinement of the urbanization of Altea Hills and offers stunning panoramic view over the Mediterranean Sea. This excellent villa is distributed in two levels. The ground floor houses a bedroom, a bathroom with shower, a spacious dining room with open kitchen and a bright living room. All the rooms on this floor have access to the exterior area with the originally designed Infinity pool and the terrace with open and partly covered area. The elevator or the interior staircase leads us to the upper floor with the exceptional master bedroom with en suite bathroom and a large dressing and the two remaining bedrooms that share a bathroom. All bedrooms on this floor have access to the open and covered terraces. Underfloor climate control and domestic hot water are supplied by a Aerothermal system, with optimal energy efficiency. The kitchen is fully equipped with Siemens appliances. A dream property on a premium location.
