

Renovation Project on One of the Best Locations in Altea

1.200.000€

Altea

Urbanization:
Galera del Mar

Bedrooms: 4

Bathrooms: 3

Build: 345m²

Plot: 1600m²

Reference: 2954

This renovation project is located on one of the best locations in Altea, near the Porto Senso harbor. It combines a perfect sun orientation with the best views across the bay of Altea and the mountains. The beach, harbor and a supermarket are located within walking distance. Alternatively, the property can be demolished to build your new dream home on the plot. This is a unique opportunity to acquire a precious location.
