This renovation project with breathtaking views is located in Sierra de Altea. It combines a perfect sun orientation with the best views across the bay of Altea and the mountains.

The villa consists of two levels, on the first floor there is an open kitchen with dining room and living room with access to a spacious terrace. It has three bedrooms and two bathrooms. The living room and bedrooms have hot/cold air conditioning. On the ground floor there is another open plan kitchen with living room and fire place, two bedrooms and one bathroom. On this same level there is a swimming pool with terrace. Located on the street level there is a carport for one car and at the bottom of the plot there is a closed garage.
