This beautiful Ibiza style is projected on a plot with sea views in a tranquil and green residential area. The design of the villa combines a practical layout with natural materials and stylish details to enjoy the Spanish lifestyle. The villa has an entrance at street level with a practical parking space in front of the house. On the main floor there is a bright combined living and dining room and an open plan kitchen. There is also a master bedroom with dressing and en-suite bathroom. All rooms have a direct access onto the covered terrace and the sun terrace with swimming pool and barbeque. On the top floor there are two more bedrooms, each with its en-suite bathroom and terrace, ideal for guests. Below the house there is a double garage and an optional space for a separate fourth bedroom and bathroom.
