This exclusive project consists of 66 stylish apartments and 14 luxury villas with beautiful communal areas and facilities. The project is located next to two of the most beautiful golf courses and the famous sandy beaches of Cala Benidorm. The residence has a 25m Olympic size swimming pool, indoor and outdoor fitness area, a padel court and a co-working area. The apartments offer two or three bedrooms and two bathrooms. Ground floor apartments benefit from a private garden and the penthouse apartments from a large solarium. The apartments are made with eye for detail using the best materials. They benefit from central air-conditioning, a private parking space and store room.
