These stylish villas are located within a luxury resort with beautiful communal areas and facilities. The project is located next to two of the most beautiful golf courses and the famous sandy beaches of Cala Benidorm. The residence has a 25m Olympic size swimming pool, indoor and outdoor fitness area, a padel court and a co-working area. The villas have a private plot with garden, swimming pool and a large solarium. It has four bedrooms and three bathrooms divided over two floors. Downstairs the villa has a private parking space of 70m<sup>2</sup>, two bedrooms, one bathroom, a second living area or office space and a laundry room. On the main floor there is a bright living room with open plan kitchen and two bedrooms, each with its ensuite bathroom. The villas are made with eye for detail using the best materials. They benefit from under floor heating with a heat pump, central air-conditioning and electric window shutters.
