This magnificent villa, located on an exceptional plot in Altea la Vella, seamlessly blends luxury, privacy, and breathtaking views. Thanks to this privileged location, it offers panoramic views of the Mediterranean Sea, the picturesque Altea Bay, the majestic surrounding mountains, and the skyline of Benidorm. The main floor features a sleek, modern design. It includes a fully equipped kitchen with cutting-edge appliances, a spacious dining area with spectacular views, and a bright, elegant living room with a cozy fireplace. Also on this level is a bedroom with a separate kitchen, ideal for staff quarters or guest accommodation, along with a guest bathroom. Upstairs, the first floor comprises five generously sized bedrooms. Four of them are en-suite, and three boast sea views, while the other two overlook the serene mountain landscape. The basement is dedicated to relaxation and entertainment, featuring a luxurious SPA with a heated indoor pool, sauna, gym, games room, and a second lounge, offering the ultimate in-home leisure experience. Additional features include ample parking, a private double garage, multiple storage rooms and a separate laundry area. Outside, a spectacular heated infinity pool and expansive terraces provide the perfect setting to enjoy the Mediterranean lifestyle.
