This beautiful seafront apartment has been completely renovated with eye for detail using quality materials. The location cannot be better; on the beach and within easy walking distance to the town centre, the Altea Old town, the train station, the supermarket and all amenities. The sea views across the blue Mediterranean, the Altea Beach and the harbour are breathtaking thanks to the open balustrade on the terrace. The bright living room has a large picture window that slides completely into the wall. Together with the window on the side, it amplifies the sea view and connects you completely with the Mediterranean. The large open plan kitchen with cooking island has Miele appliances and a breakfast corner. There are two bedrooms and one bathroom. There are window blinds on all windows and the apartment has under floor heating throughout with independent thermostats per room and all rooms are airconditioned. There is also a communal parking space below the building and a communal roof terrace.
