This modern designer apartment is located in Altea Hills, renowned for its 24-hour security and its stunning panoramic views over the Bay of Altea. The open-plan living area connects seamlessly with the contemporary open kitchen featuring a cooking island and utility room. The spacious master bedroom includes an en-suite bathroom with a rain shower. The two guest bedrooms share a bathroom with a shower and double washbasin, and are separated from the master suite by the living room, ensuring privacy. Both the living room and all bedrooms have direct access to the partially covered terrace through floor-to-ceiling sliding doors. The 100-square-meter south-facing terrace, equipped with a stylish outdoor bar, jacuzzi, sunshades, and offering complete privacy, is the perfect spot to enjoy outdoor living all year round while taking in the magnificent Mediterranean Sea views. No detail has been overlooked in terms of comfort — the apartment includes central air conditioning, infrared heating, electric blinds and awnings, and automated sliding doors in the bathrooms. There's also an integrated Sonos sound system, an underground parking space, and a separate storage room. The residence offers additional amenities such as a communal gym and children's playground. The unique swimming pool, partly indoor and outdoor, is heated during the winter months.
