This architectural masterpiece is located in the prestigious residential area of Altea Hills, renowned for its 24-hour security and exceptional quality of life. Thanks to its sought-after location, the villa is the perfect place to enjoy the sunny Mediterranean climate, spectacular sea views across the Bay of Altea, and the most romantic sunsets. Designed and built with meticulous attention to detail, this exceptional property offers a modern, comfortable, and truly stunning living environment. The bright and spacious living room features a beautiful open-plan kitchen and provides direct access to both the covered terrace and the sun terrace, where an impressive infinity pool takes centre stage. A charming patio terrace allows plenty of natural light to flow into the home while creating a private and secluded area for relaxing or entertaining. The villa comprises four bedrooms and three bathrooms, with the bedrooms featuring en-suite facilities and finished with high-quality materials throughout. All bedrooms have direct access to a covered terrace, allowing residents to enjoy the beautiful surroundings from every level of the home. Additional features include a dedicated home office and versatile extra rooms that can be used as a fitness room, games room, or additional storage space. The villa is equipped with underfloor heating powered by an energy-efficient heat pump, as well as central air conditioning. Both the heating and cooling systems can be individually controlled via separate thermostats in each room or through a user-friendly app, ensuring personalised comfort throughout the property. With its contemporary architecture, exceptional finishes, spectacular sea views, and privileged location, this outstanding villa is set to become one of the future landmarks of Altea Hills.
