This beautiful villa is situated on a quiet street in the prestigious residential area of Altea Hills, renowned for its 24-hour security and breathtaking panoramic views. Set on a low-maintenance plot, the villa offers a practical and comfortable layout. The main floor features a spacious living room and a newly installed modern kitchen with a central island. Large floor-to-ceiling windows provide both the living room and kitchen with direct access to the open terrace and a covered terrace, which can be enclosed and used as a winter garden. The panoramic views and spectacular sunsets enjoyed from these terraces are truly breathtaking. This floor also includes a spacious laundry room and a guest toilet. The lower floor comprises four generously sized bedrooms and two bathrooms. The master bedroom features an en-suite bathroom and a private dressing room. Outside, the swimming pool and easy-to-maintain garden provide the perfect setting to relax and enjoy the Mediterranean climate throughout the year. The villa is equipped with air conditioning and 19 solar panels connected to a home battery system, offering improved energy efficiency. A double carport provides convenient covered parking for two vehicles.
