Villa on a Large Plot in Altea la Vella with Sea and Mountain Views

1.499.000€

Altea

Urbanization:
El Riquet

Bedrooms: 5

Bathrooms: 3

Build: 434m²

Plot: 2780m²

Reference: 3570

This beautifully renovated villa is situated on a large, flat plot in a peaceful and green area of Altea la Vella, enjoying fantastic panoramic sea and mountain views, all-day sunshine and complete privacy. The beautifully landscaped Mediterranean garden adds to the authentic Spanish charm of this exceptional property. The villa offers a practical layout, ideal for permanent living or as a family holiday home. The main house features three bedrooms, a spacious bathroom, a cosy living room with an open fireplace and a kitchen. A covered terrace wraps around the living room and leads directly to the pool terrace with its heated saltwater swimming pool. There are also two independent guest studios, each with its own bathroom and private entrance, as well as a rooftop bar, perfect for enjoying the spectacular sunsets with family and friends. Additional features include a spacious double garage, ample storage space and solar panels connected to a 10 kWh home battery. The charming village of Altea la Vella, with its restaurants, shops and amenities, is just a short drive away.
