

Modern Villa with Pool in Polop de la Marina

460.000€

Polop

Urbanization:
Polop

Bedrooms: 3

Bathrooms: 2

Build: 239m²

Plot: 461m²

Reference: 3097

This modern and very well equipped villa is located on a plot at short distance from the village of Polop de La Marina. The villa has all rooms on one floor and has an additional basement. There is a combined living and dining room with an open and fully equipped kitchen, three bedrooms, two bathrooms and a stylish staircase hall. The living room enjoys a lot of light and has access to the partially covered terrace with pool. On the basement floor, there is a large space, a washing room, and a technical room. The villa is equipped with central air conditioning, built-in wardrobes, kitchen appliances, and a completely landscaped garden. On the plot, there is also parking space for two cars next to the entrance.
