This newly built villa stands on a privileged location on the flanks of the Bernia Mountains and is part of a residential complex with automated access and security. From this south-facing location there is a beautiful view of the bay of Altea and the Mediterranean Sea. The villa is spread over 3 levels connected by an elevator. Access to the villa is on the lower floor, with an integral garage for three cars, a bedroom with en-suite bathroom and a laundry room. Via the elevator or stairs there is access to the first level with a spacious combined living and dining room with open kitchen and a bedroom with en-suite bathroom, both these rooms are directly connected to the open sun terrace with swimming pool. From this terrace there is a beautiful sea view. There is also a guest toilet on this floor. On the top floor there are three more bedrooms, each with an en-suite bathroom and dressing areas.
