This corner apartment enjoys an exceptional location right on the beach, 2 kilometers from the village center of Villajoyosa and only a few minutes' drive from the nearest shopping centers. This beach is especially popular in the summer, when it offers hip beach bars where you can experience the ultimate holiday feeling. Due to its location, this beach has been spared from mass tourism and exudes a certain degree of exclusivity. The modernly designed apartment has three bedrooms and two bathrooms, one of which is en-suite. The open and modern equipped kitchen with laundry room and a combined living and dining room are connected to the covered terrace through large sliding windows, as well as the master bedroom. The terrace is south-facing and offers a view of the residential area and the Mediterranean Sea. The apartment is built with quality materials and has a high level of finishing. The entire living area is equipped with marble floors and there is central air conditioning with heat pump. The residential complex is completely fenced and has automated access. In addition, the apartment has an open parking space within the complex and an underground parking space with storage space. There is also a communal swimming pool, beautifully maintained green zones, a park and direct access to the beach.
