This modern villa is currently under construction and will be finished in the beginning of 2024. It is located in a quiet street within the 24-hours secured residential area of Altea Hills from where it enjoys beautiful sea views across the bay of Altea. The villa is built with the best materials and finished with a eye for detail. The entrance, with carport for four cars is located on the top floor and has an elevator and staircase leading to the lower floor with an open plan living space with living room, open plan kitchen and a patio garden. There is a direct access onto the large covered terrace and sun terrace with infinity pool and outdoor kitchen. On the lower floor there are four bedrooms, each with its ensuite bathroom and terrace. On the lowest floor there is a technical room and a polyvalent room that can be used as hobby room, gymnasium or spa. The villa is equipped with underfloor heating operated with a heat pump and central air-conditioning, both with independent thermostats per room.
