This characterful Moorish-Mediterranean style villa is located in a beautiful location in Galera de las Palmeras, a residential area surrounded by greenery. The villa is south-facing and its main features are undeniably the beautiful view over the Mediterranean Sea and the surroundings, the high degree of privacy at the pool area, and the excellent state of maintenance. The living areas are divided over three different levels, with the living and dining room and kitchen on the ground floor. These rooms have access to the open terrace with heated swimming pool. Through a Moorish-style interior staircase, there is access to a higher level where the master bedroom is located, with an en-suite bathroom and a private terrace, also with beautiful sea views. On an intermediate level there is a charming patio that provides access to the second bedroom in the main house on one side and to a separate living area with two bedrooms and two bathrooms on another. This living area also opens onto the terrace and garden area. There is also a spacious room for washing machine and dryer, and an adjoining work or playroom with toilet. The villa is equipped with gas central heating, has air conditioning, and there is a private driveway with open parking for two cars and a garage for one car.
