This very spacious apartment with a contemporary design is one of the best apartments in Altea. This is the perfect place to live, dream and enjoy, with the most fantastic views of both the deep blue bay of Altea and the mountains. The 122m² south facing terrace, offering full privacy, gives a new dimension to outdoor living. The apartment has large windows, bringing the light and the sea view inside the living space and making the open plan kitchen, the large living room with marble floors and the terrace one large room. The apartment has three bedrooms, two bathrooms and a guest toilet. The master bedroom has its own en-suite bathroom with shower and bath. It also features central air-conditioning, floor heating, electric window blinds and a Sonos sound system. Furthermore the complex has a fantastic overflow pool with teak wood terrace and the apartment has two underground parking spaces, underlining the exclusive character. This beautiful home is the perfect alternative for a villa.
