This renovated villa is located at the end of a cul-de-sac in the residential area of Galera de las Palmeras. This location offers tranquillity and sea views in a green setting. The villa has three floors, each with separate access and independent of each other. Ideal for receiving guests without compromising privacy. The main house is located at street level, where there is also the garage for one car. On this floor there is a combined living and dining room with fully equipped kitchen, three bedrooms and two bathrooms. The swimming pool with covered terrace and built-in barbecue is also located on this level. Via an external staircase there is access to the lower floor with a living and dining room, a fully equipped kitchen, two bedrooms and two bathrooms. On the third and lowest floor there is another independent guest room with bathroom.
