This modern villa is currently being build on a flat corner plot with beautiful panoramic sea views in Altea La Vella. The villa has a bright living room and an open plan kitchen with a direct access onto the covered terrace and the open terrace with infinity swimming pool. On the main floor there are two bedrooms, one bathroom, a guest toilet and a laundry room. There is also a double carport. On the top floor there is a master bedroom with ensuite bathroom and private terrace. The villa has a top quality finish with minimalistic Cortizo Corvison windows, central airconditioning and under floor heating with an energy friendly heat pump powered by the polar panels.
