This new project is being built close to the new Puig Campana Golf course, in Finestrat. This location offers beautiful views of the Benidorm skyline and the Mediterranean Sea. The project offers apartments from 259,000 euros and terraced houses from 367,000 euros, either with two or three bedrooms. The houses are built using excellent qualities and form a beautiful residential area, with a communal swimming pool, private parking, storage room, garden and children's play area. The terraced houses offer an optional private swimming pool. The expected delivery date is March 2025. Ask us for more information!
