This exceptional villa is located in a quiet and green residential area. This property offers high-end living with five spacious bedrooms and five elegant bathrooms, providing ample space for both family and guests. The spacious master bedroom with panoramic view of the Mediterranean Sea has access to a large furnished terrace with its chill out area with outdoor fireplace. The separate apartment is perfect for accommodating visitors or staff, ensuring privacy and convenience for all. Enjoy the coveted south orientation, flooding the interior with natural light and warmth throughout the day. The mixture of white walls and local stones marks the character of the project, fixing it to the Mediterranean land and opening it to the sky and the sea. The Villa offers modern concepts of domestic comfort, with the most advanced technological solutions and the best equipment to turn your day to day into authentic well-being. An exceptional villa for those who want to live with ample space and comfort all year round.
